

*Eric Cantor spent over 10 million  
v. Dave Brat's 231K*

**Dave Brat ran on the  
Republican Creed as stated on  
the Virginia GOP Website**

Jim and I followed and supported Dave Brat's campaign from the beginning. We were especially impressed by the KISS approach of his message. We would love to see ALL Constitutional Liberty Conservatives constantly promoting these core Principles and then relating them directly to the relevant Policies.

*Principles ~ What We Believe*

\* That the free enterprise system is the most productive supplier of human needs and economic justice.

\* That all individuals are entitled to equal rights, justice, and opportunities and should assume their responsibilities as citizens in a free society.

\* That fiscal responsibility and budgetary restraints must be exercised at all levels of government.

\* That the federal government must preserve individual liberty by observing constitutional limitations.

\* That peace is best preserved through a strong national defense.

\* That faith in God, as recognized by our Founding Fathers, is essential to the moral fiber of the nation.

*Policies ~ Legislation We Promote*

We will continue to stand by our common-sense conservative values and principles, fighting for:

- \* Lower taxes;
- \* less and smaller government;
- \* personal responsibility;

\* creating opportunities for everyone;

- \* protection of life;
- \* empowering families;
- \* and defending freedom and liberty

\* That faith in God, as recognized by our Founding Fathers, is essential to the moral fiber of the nation.
