

TRUE CONSTITUTIONAL REVIVALISTS are taking on incumbent Progressive Republicans in Primaries (This list will be updated as needed)

These are the groups committed to the DESTRUCTION of Constitutional Revivalists:

Karl Rove's *Conservative Victory Project* and *American Crossroads*, as well as the Chamber of Commerce and the Establishment Republican Party AT EVERY LEVEL, are at war with the Tea Party Constitutional Revivalists and have vowed to destroy ALL our candidates at the Primary level. Other groups that SOUND good are the HOUSE Conservative FUND and Conservative Union (CPAC) ~ The Conservative Union (CPAC) has VERY troubling affiliations (see <http://www.frontpagemag.com/2011/paul-sperry/who-is-suhail-khan/>) They are NOT Conservatives! Please do not be fooled into making contributions to any of these groups! Our commitment has to start now if we're going to have Constitutional Revivalists on the ballot in November and in office next January.

These are the PACs that you can rely on to be staunch Constitutional Revivalists:

Senate Conservative Fund...(They also have the **House Conservative PROJECT** to help Constitutional Revivalists get elected to the House of Representatives. They contributed to Michele Bachmann's last election while the House Conservative FUND contributed ZERO!!)
